Re: Continuing Education

Sunrise Health Region will be providing Continuing Medical Education to EMS staff on the following days: These will be unpaid days for the staff attending. It is the responsibility for each staff member to ensure they have enough credits for licensure each year.

TLR is a requirement for all EMS staff by the employer and by the College. It will be up to each EMS staff member to arrange to attend a TLR course sometime this fall. This will be paid time however there will be no overtime authorized to attend the course. Please contact the education department to register yourself in one of the upcoming courses this fall. Staff members who have been certified or recertified in 2009 or 2010 do not have to attend a TLR course this year. Please ensure Anthony has a copy of your certificate.

Course dates are as follows:

September 21 – obstetrics and childbirth, anaphylaxis, hypothermia, Trauma during pregnancy, Heart failure

September 30 - obstetrics and childbirth, anaphylaxis, hypothermia, Trauma during pregnancy, Heart failure

October 26 – Pediatric Trauma , CPAP, Sports injuries (PCP Only – Nitrous Oxide / King Airways)

November 2 - Pediatric Trauma , CPAP, Sports injuries (PCP Only – Nitrous Oxide / King Airways)

All classes will be at the Melville and District Health Centre and will be starting promptly at 9 a.m. Please contact me if you have any questions
